In 2022, Awake Ministries operated at capacity in our men's and women's residential recovery facilities. We continued on our path to empowering residents in the areas of spirituality, adult education, and community service. Our food bank continued to operate as the largest of its kind in the region, declaring war on food insecurity. Through this program, we were able to meet the needs of our community's individuals, families, seniors, veterans, and school children.

In an effort to expand our enterprise/ vocational training and to raise greater community awareness about our organization, Awake Ministries purchased The Paddock coffee shop in December 2022.
